An Open Forum will be held by the Kawasaki City Representative Assembly for Foreign Residents, which was set up in order to promote the role of foreign citizens in the running of the city administration, in order to help mutual understanding and to help contribute to the creation of a vibrant city here in Kawasaki.

The main aims of the open meeting are to give a chance to non-representatives to express their opinions, to give an opportunity to grasp what the general situation is among the foreign citizens and also to create a chance for both foreign citizens and Japanese citizens in Kawasaki to get to know each other better.
