## 「Kawasaki Housing Support System」

Foreigners trying to rent an apartment sometimes can't find a guarantor to co-sign their lease. Kawasaki City uses designated guarantor companies to help people who find apartments through participating real estate agencies.

- ① A guarantor company insures the landlord against things like non-payment of rent or repair expenses, so you can rent an apartment even without an individual as your guarantor.
- ② An interpreter can be dispatched to help solve landlord-tenant problems.
- ③ 35% of one month's rent (plus common-area fee) pays for a 2-year contract.
- ④ You'll also have to buy a 2-year renter's insurance plan.
