Information Session: Enrolling a Foreign Child in Elementary School

“What’s elementary school like in Japan?” “What do we need to be ready for the first day?” “I don’t speak Japanese, so I won’t understand the orientation session...” etc. This information session addresses concerns like these held by foreign children and their parents or guardians about entering elementary school. You can ask any question at all about entering your child in elementary school. Pictures and a guidebook (multilingual plus Japanese with furigana) will help you understand what school life is like. There will also be explanation and examples of necessary school supplies and related items.
