Information on the Fureai Net

The Fureai Net is a system that allows you to reserve sports facilities, meeting rooms of the Shimin-kan or the Citizen's Halls and so on in Kawasaki City.

Since last year it has been possible to use the Fureai Net system to book any facilities, excluding the City Recreation Centers, by accessing the Kawasaki City Homepage.

As well as applying to use facilities you can also check the availability conditions and the selection process of the facility you wish to use.

Also, from January 17 you will be able to use the Fureai Net on your mobile phones for making a reservation.

If you wish to use the Fureai Net system you are requested to register in advance. After you get an application form from the information counter at a ward office, Shiminkan etc, you fill in your bank account transfer procedure form.

This is so that you can pay by bank transfer whenever you book and then use a facility. Then you give the application form back to the ward office information counter and then they will issue you with a user-card.

If you are using the Fureai Net on the phone or at the Fureai Net Terminals located at ward offices, Shiminkan etc, you will be guided by a voice guide answering machine.

At each facility there will be a lottery system to decide who can use it. Please proceed with your application once you have confirmed the results of the lottery within 4 days of the day following the day when the lottery was held.

When you go and use the facility please bring along your Fureai Net user-card. The charge for using the facility will be taken from your bank account in the month after you have used the facility.

Call 119 in case of Fire

How to call Dial 119 to report a Fire

As its winter, with people tending to use heaters and with the air being dry we have to be careful about fires starting. Firstly if a fire or an injury happens, quickly report it by calmly phoning 119. When you phone 119 from anywhere within the city you are put in contact with the Fire Fighting Center. If it is difficult to report by phone please try report the fire by fax.

When you call 119 please report "There's a fire" or in Japanese "Kaji desu", or "There's an emergency." or "Kyukyu desu." When you are asked "Where is the fire?" or "Kaji wa doko desu ka?" Please reply clearly "_____ Ward/ku, _____ Town/machi/cho, _____ mansion, _____ room number/go-shitsu . If you are unsure of the address, please refer to a landmark near by the fire . Also please try to inform the Fire Fighting Center if the fire is burning strongly (kaji ga hageshiku moete imasu) and if there are any burn victims (yakedo o shita hito ga imasu). After making your report, give your name and telephone number. If you are using a mobile phone to make the report please do not turn off the power supply of your mobile phone as the Fire Fighting Center may try to call you back again.

If you have any inquiries please contact the Fire Prevention Department at the phone number 044-223-2704 or at the fax number 044-223-2720.
